Our Funeral Stationery Service

Personalised funeral stationery is a wonderful way of providing a lasting tribute to the life of a much-loved relative or friend. Indeed, the very process of creating memorial stationery allows families to reflect, contribute and collaborate which helps come to terms with loss and can turn a sad event into a celebration of a life.

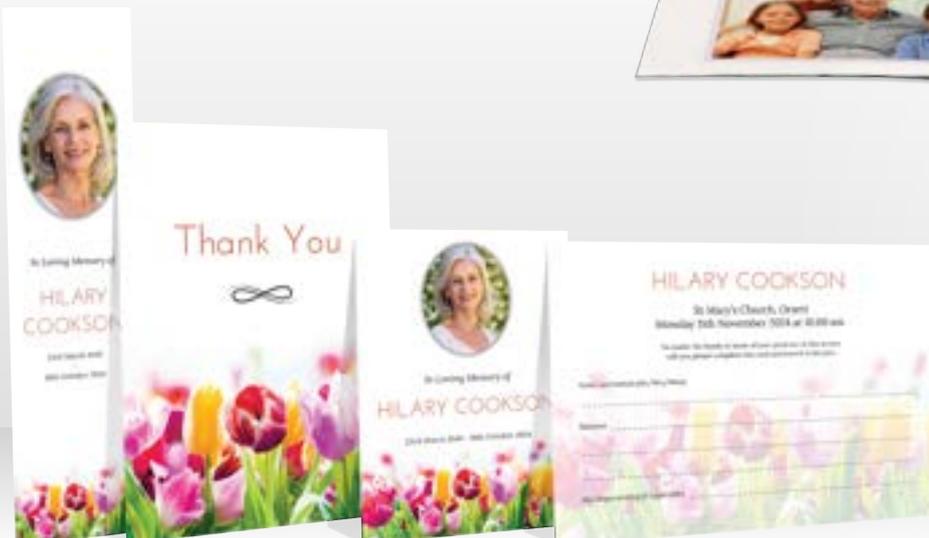

Our professionally designed range allows for funeral stationery to be used at the funeral service but also as a keepsake to be treasured long after the service.

We believe that every order is as unique as the life that is being commemorated. We help family and friends to create the perfect tribute.

Design Service

A lasting tribute as unique as the life you are remembering.

We believe that funeral stationery should reflect your loved one's life. You can incorporate hobbies, favourite flowers or places where memories were made. Choose, change or create your design.

OPTION 1: CHOOSE

a design from our range of templates to be used as shown

OPTION 2: CHANGE

a design from our range - the wording or images can be changed on any of our designs

OPTION 3: CREATE

a unique design - if you don't see a design that suits your loved one then ask us to create one for you

Please can you create a front cover for mum's order of service using the three photographs supplied. She loved her holidays and family time so much and I think that really shows in these pictures. Her absolute favourite pastime was walking. She did this as much as she could so as well as including the walking images could you add something extra to highlight her love of walking? Some boots perhaps? And if at all possible please can you add some blue sky to that picture?

Thank you!

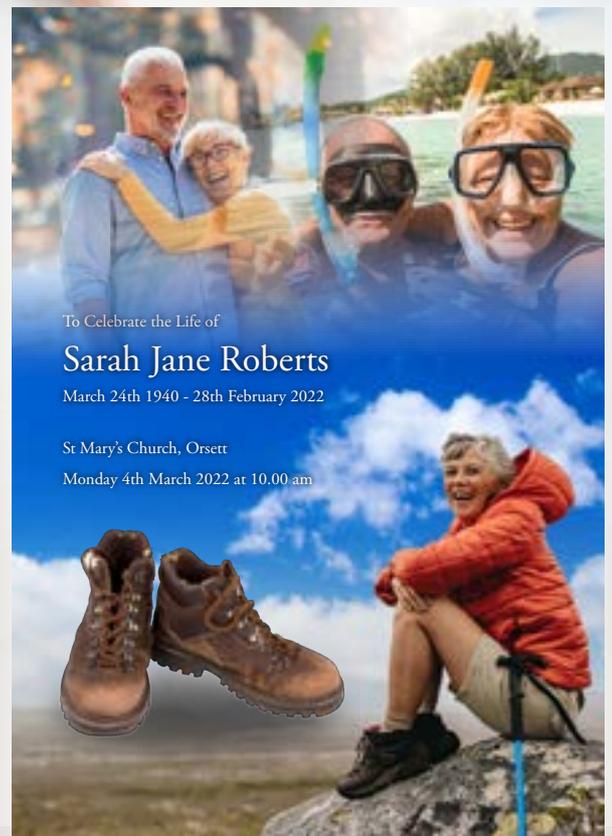

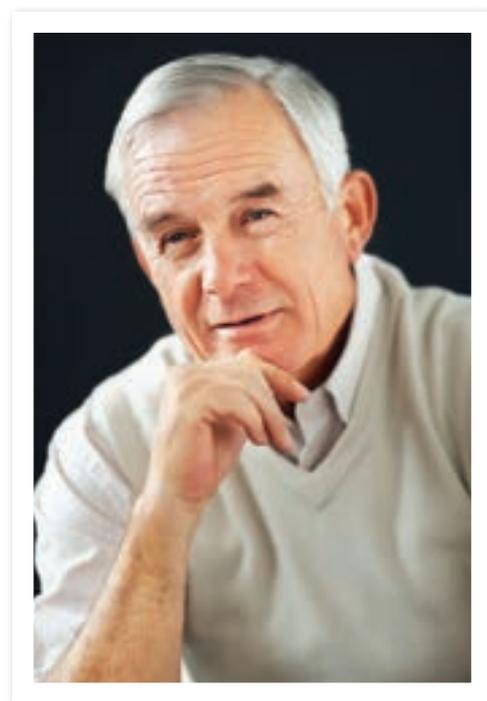

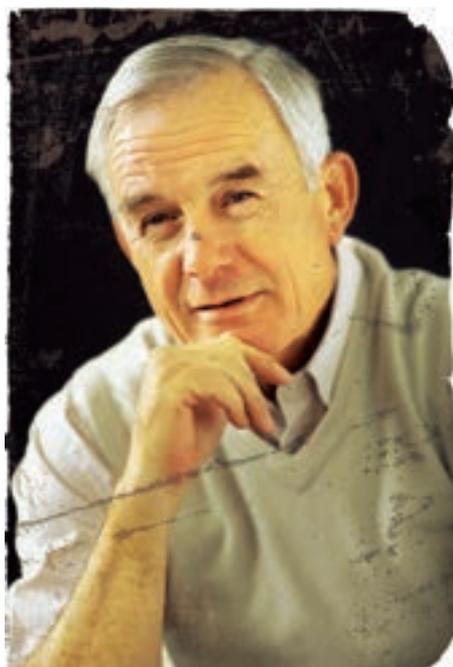

Photo Editing and Retouching Service

We are able to retouch photos to remove unwanted backgrounds, creases, tears or marks to allow you to use your cherished photos.

If your physical photos are old, they may need some repair work.

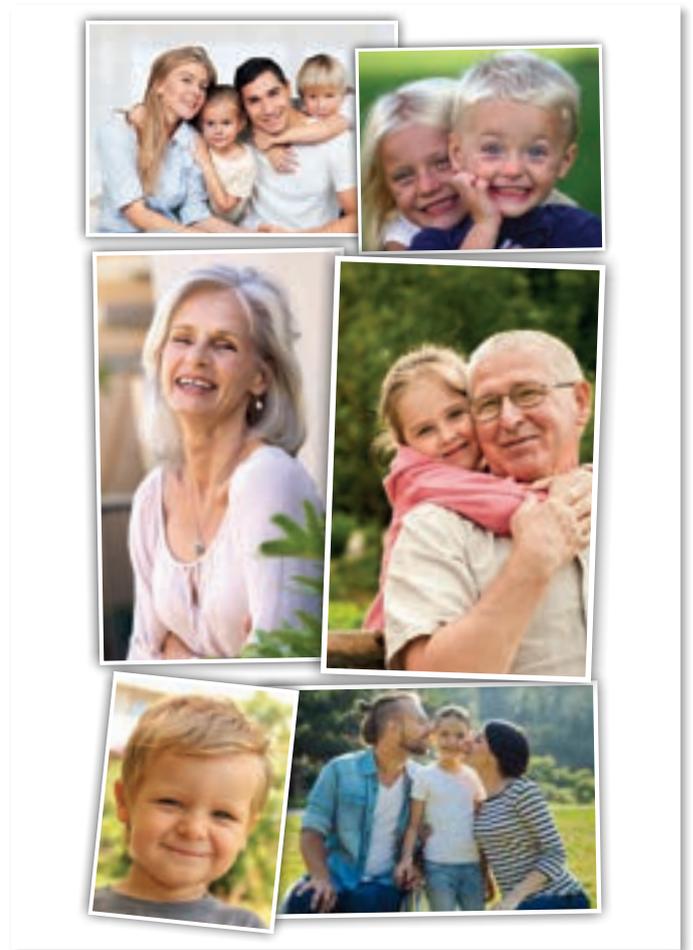

We can accept the physical original, or if you prefer, send us a scan and our photo experts will do the rest.

We can crop an area of a photo to use – but please be aware the size of the original and the area cropped will affect the final quality.

A photo captures a moment in time to be remembered forever.

You can include photos within funeral stationery either as single photos or as part of a collage. Below are a number of collage layouts our designers can create. Please specify which style you would prefer when ordering your order of service.

Orders of Service

Orders of Service allow those attending a funeral to follow the service and have the words to hymns, prayers poems and readings. In addition, they are often kept by attendees long after the service as a keepsake.

The most popular style for an Order of Service is **A5 (148mm x 210mm)** which is available in multiples of 4 pages. (4, 8, 12, 16, 20).

We can also produce a six page, roll-fold order of service **(99mm x 210mm)**.

Our orders of service are printed on a premium silk paper. This coated stock gives vibrant colours without being too glossy.

If you prefer, we can print on an uncoated paper or for a small extra cost, you can choose a recycled premium paper.

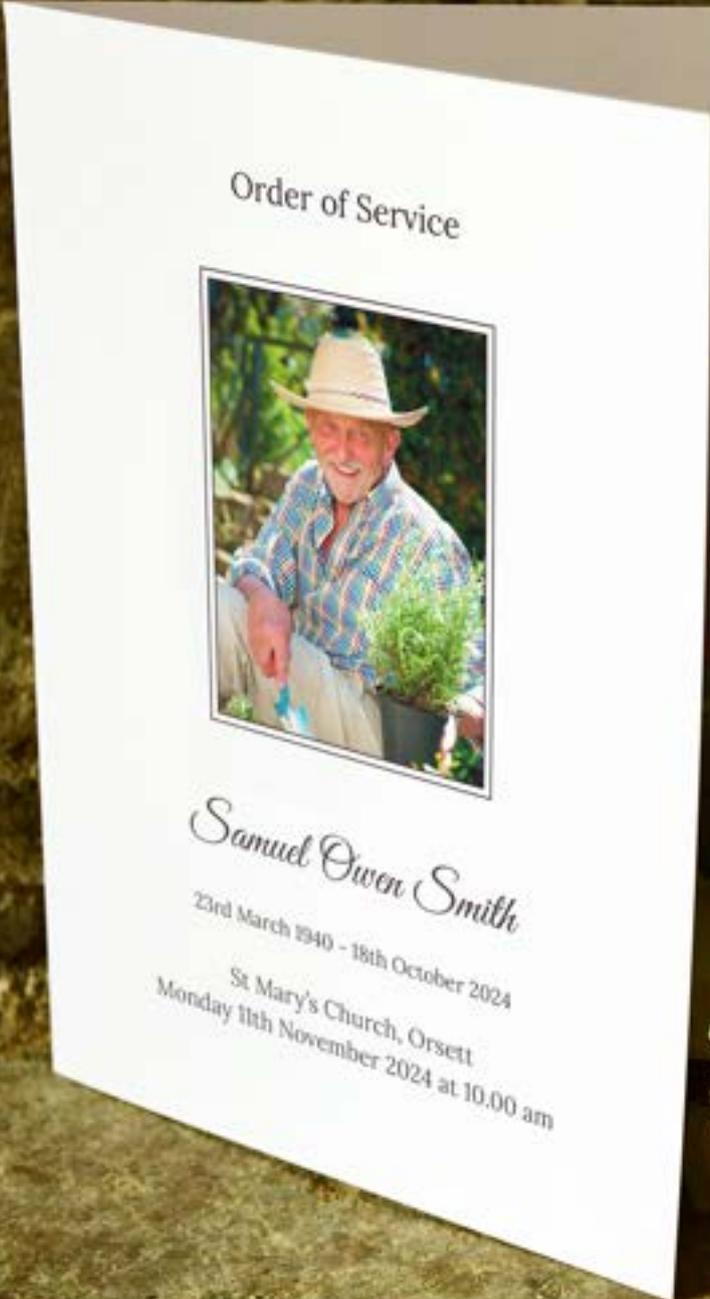

Prestige Order of Service

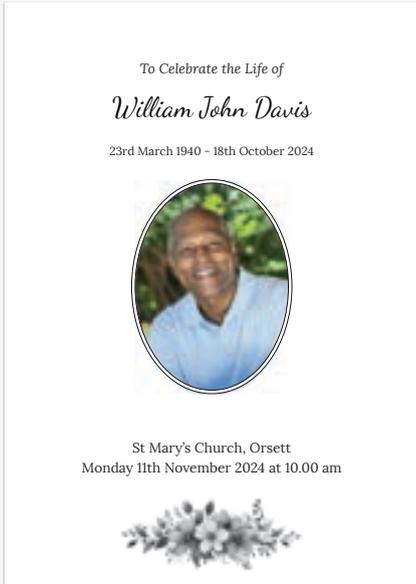

A slightly larger, six page roll-fold order of service printed on a premium pearlescent card. This product offers plenty of space for text and photographs and is finished to 120mm x 212mm allowing it to fit in a jacket pocket or bag.

Inside Pages

The inside pages of your order of service can be as simple or as elaborate as you choose. We will layout your content so it is easily readable for all those attending the service.

Poem

One At Rest

Think of me as one at rest, for one you should not weep,
I have no pain, no troubled thoughts, for I am just asleep.
The living thinking me that was is now forever still,
And life goes on without me as time forever will.

If your heart is heavy now because I've gone away,
Dwell not long upon it friend, for none of us can stay.
Those of you who loved me I sincerely thank you all,
And those of you who loved me I thank you most of all.

The answer to life's riddle is life, I never knew
I go with hope that now I will, and even so will you.
Oh, foolish, foolish me that was, I who was so young
To have wondered, even worried, at the mystery of it all.

Add in my fleeting lifespan as time went rushing by,
I found some time to love, to laugh, to love, to cry.
Matters not now if time begins, if time will ever cease,
I was here, I used it all, and now I am at peace.

You can incorporate the design you have chosen for the front cover into the inside pages by including it as a watermark throughout the order of service or you can choose different images or supply photos to be used as backgrounds.

Memorial Products

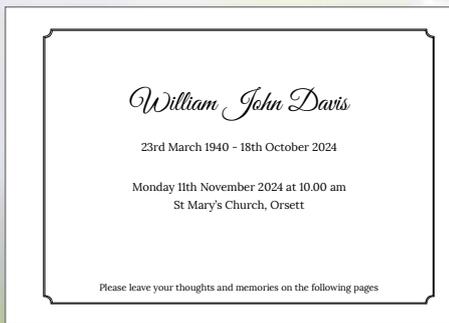

We offer an extensive range of additional memorial products for use at the ceremony or as long-term keepsakes. These include Books of Condolence, Memorial Portraits, Memory Boards and Attendance & Memorial Cards. Many of these tributes will be cherished for years to come.

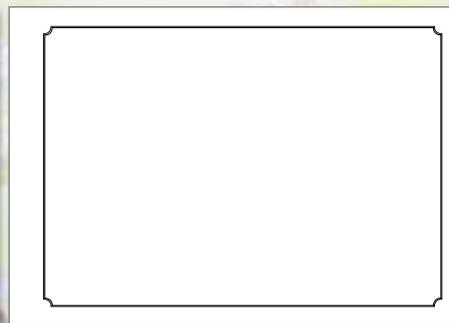

Personalised Books of Condolence

Our superb-quality hardback books are **A4 (207mm x 210mm landscape)** in size and come with a personalised cover and first page within the book. Attendance Cards & Variations

Traditionally, attendance cards are available at funeral services to allow the family to know who attended the service. Our A6 (148 mm x 105 mm) cards can be used for this or can be adapted for other uses. For example, you could ask attendees to leave a memory of your loved one for you to reflect back on.

You could also send these out prior to the funeral to notify people that your loved one has passed and provide details of the service if they wish to attend.

Bookmarks & Thank You Cards

Bookmarks are one of the more traditional keepsakes to remember a loved one and enable you to remember them every day as each time you open your book they are with you.

Bespoke Thank you cards are a lovely way to reach out to those friends and family who have supported you during the difficult time of losing your loved one.

Bookmarks are **50mm x 200mm** and are laminated to ensure they are long lasting. Include photos, designs and wording of your choice on the front and a poem or reading on the back.

Thank you cards can be left plain inside for you to personalise or be printed with a message of your choosing.

All Thank you cards are **A6 (105mm x 148mm)** and come with envelopes.

Memorial Cards & Seed Cards

Memorial Cards are a wonderful way of gifting a memento to family and friends. The cards are encapsulated to provide a long-lasting tribute.

Memorial Seed Cards – Create a living tribute by adding one of our selected seed choices to your memorial card – ideal for children to help them come to terms with the loss of a loved one.

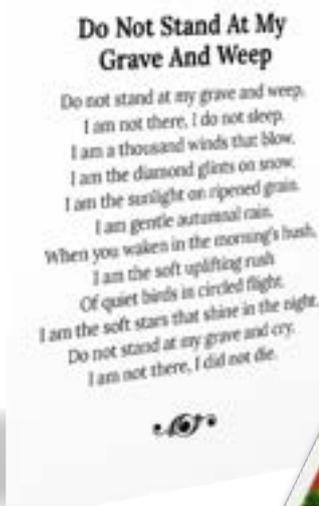

Either cards can include a poem, reading or suitable words on the back of the cards to reflect your loved one.

Memorial cards come with envelopes and are available in two sizes, **large (82mm x 112mm)** and **small (55mm x 86mm)**. The small is the size of a credit card so is ideal for keeping in a purse or wallet.

Our Memorial Seed Cards come with a seed packet attached to the reverse that will not harm the laminated card when removed. This provides a wonderful living tribute.

The flowers are available in three varieties; Poppy, Forget-me-not and Butterfly & Bee Mix.

FAQs

We are here to answer any questions you may have so please do not hesitate to ask us anything.

To help you, here are some commonly asked questions.

- **What if the image I want to use is subject to copyright?**

Our design team will seek the correct copyright permissions as needed on images and provide a suitable alternative if needed.

- **What if the image I want to use is too low quality to use?**

Your proof will show the actual quality of the image when it is printed. If we believe that an image supplied is of too low a quality to use we will alert you to this fact and request that an alternative image be supplied. If none is available, then it will be your decision as to whether to use the image in the final draft.

- **What will happen if my content will not fit on the number of pages I have specified?**

Our design team will do their best to keep to the number of pages specified while ensuring that the wording is clear. They will increase the page count only when necessary. As a guide -

4 pages - fits 2 hymns and a reading/poem

8 pages - fits 3 hymns and 2 readings/poems

12 pages - fits 4 hymns and 3 readings/poems

16 pages - fits 5 hymns and 4 readings/poems

*the above depends on the number of words in each chosen hymn/reading/poem.

- **What is the minimum number of copies I can order?**

The minimum order levels vary depending on items. Please speak to us or see our price list for options.

- **Where will the order be delivered?**

Your order will be delivered to us at the funeral home. We will work closely with you to ensure delivery can be made at least the working day before the funeral.

- **How many photos can I include?**
